Note for DCI

SUBJECT: Material for SCC on Mideast Security

25X1

1. Subject meeting will be from 0900-1030 in the SitRoom tomorrow, Friday, 22 August. [] will be accompanying you to this meeting. (It is not clear at this time whether the NSC will restrict discussion of the ^{first} agenda item, the Soviet Threat to Iran, to principals only.) []

2. Attached herewith are two notebooks with material for that meeting.

a. First book contains material relating to your briefing on the Soviet threat.

- Talking points have been revised per Pre-Brief.

- Graphics is going to be working all night to get things ready and therefore you will not find the graphics here. [] will be bringing with him the briefing boards as well as paper copies of the graphics to be handed out to Principals at the meeting.

25X1A

- The Principals will have a paper copy of each board that you will be using; there will also be two handout graphics for which there will be no boards--these are noted in your talking points as "handout only."

- I have asked the NSC to make sure there are easels in the SitRoom for your use.

b. The second book has the material for agenda items two and three. It contains both a Defense and a State paper with NFAC comments on each. []

3. Re SNIE:

1A

- a. will have 10 copies.
- b. Normal distribution will be made tomorrow.
- c. Recommend you deliver copies at meeting to key Principals only (due sensitivity). will note copy # and who got each (for record purposes).
- d. You should be aware that there are footnotes in SNIE regarding likelihood/Soviet intentions toward invading (JCS has called worrying what you would be saying). Believe your talking points are balanced and will not put anybody out.
